CONFIDENTIAL REFERRAL FORM

Student's Name: _____

School: _____ Student's Grade Level: _____

Parent/Guardian: Address: Phone:	Referral made by: Title: Agency: Email: Phone:
--	--

Reason for referral: _____

Parent/Guardian is aware of referral Parent/Guardian received program brochure

Safe Schools/Healthy Students provides access to the following individual programs at no cost to the student or family. If you have a specific program in mind for the student and/or family being referred, please check the box next to that program and briefly describe why. School districts may use this referral to identify additional programs that the student or family may be eligible for.

Adventure Based Learning

An after school program to improve judgment and decision-making; increase self-esteem; development of pro-social group affiliation; increase interpersonal trust; develop initiative and self-discipline.

Mental Health Assessment

A comprehensive assessment for child and/or family.

Families and Schools Together (FAST)

An after school/evening program that helps families build mutual respect, improve family bonds and enhance family-school relations.

Mental Health Clinic

One-to-one professional support for child and/or family.

Parenting Education

A 12-week course for parents of toddlers/pre-schoolers, offering parenting tips and support.

Parent-Child Learning Group

Play groups held weekly at school to promote positive parent-child interaction and relationships. Free developmental screenings available birth-5.

Please send this form to the **Site Coordinator** in the child's school district.

Contact information is on the reserve side of this form.
